Primary Source Analysis

(1938) "Declaration of a New Order in East Asia," Prince Konoe Fumimaro

Based upon the reading provided, please answer the questions below. Be sure to write in your OWN WORDS, as well as use examples from the source. Also, take into account details and specifics from outside readings, as well as class discussions.

1. According to Konoe, what are Japan's "big picture" goals in Asia/China?
2. What does he openly state he/Japan wants from China? In other words, how does he explain his expectations for their relationship in the future?
3. In reality, what does #2 mean Japan expects China to *actually* do?
4. Why is Konoe critical of the Nationalists/Kuomintang?
5. What does he have to say about communists & the Comintern?
6. Summarize Konoe's ideas regarding economic development in the region.
